APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of an underground source in the Las Vegas Artesian Basin as heretofore granted under Permit 10987 is issued subject to the terms and conditions imposed in said Permit No. 10987, and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial weir or other type of measuring device must be installed and measurements of water use kept, and a method provided, either air line or opening, for measuring depth to water. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 0.75 cubic foot per second.

Actual construction work shall begin on or before July 10, 1957

Proof of commencement of work shall be filed before August 10, 1957

Work must be prosecuted with reasonable diligence and be completed on or before July 10, 1958

Proof of completion of work shall be filed before August 10, 1958

Application of water to beneficial use shall be made on or before

July 10, 1959. Proof of the application of water to beneficial

use must be filed with State Engineer on or before August 10, 1959

Proof of commencement of work filed JUN 24 1957 WITNESS MY HAND AND SEAL this 10th day

PROOF OF COMPLETION OF WORK FILED JUL 8 1958

of January, 1957

PROOF OF BENEFICIAL USE FILED JUL 28 1961
